

The Fountain Hills Community Association announces the opening of an electric vehicle (EV) charging station located at [18615 Autumn Mist Drive](https://www.google.com/maps/place/18615+Autumn+Mist+Drive,+Fountain+Hills,+MD+20781/@38.87511,-77.0071,17z). Look for the EV Charging Station on the curbside street parking across from the townhome building.

The EV charging station is available to community residents and the general public. Vehicles using the EV charger pay for the cost of electricity consumed. The current cost to use the EV charger is 25 cents per kilowatt hour (\$0.25 per kWh).

There is a \$4.00 per hour service charge. If your vehicle is not removed at the end of your charging session. There is a 30-minute grace period after your charging session ends before the service charge is applied

An active [ChargePoint](#) network account (or participating affiliate) is necessary to begin a charging session. Download the [Chargepoint app](#) to your phone to set up your account.

The Fountain Hills Community Association received a grant from the Maryland Energy Administration for the purchase, installation and operation of the EV charging station.
